Sports events

Unfortunately, a number of events have been cancelled over the past few weeks due to the weather. However, KS2 were able to take part in their cricket tournaments this week. Teams from Y3/4 and Y5/6 played at Cam Cricket Club; they had a mixture of wins and losses, but played brilliantly as a team and really enjoyed the competition. Thank you to our parent helpers who are vital in making these events happen.

Sharpness School Association (SSA)

On Friday the 10th July, the SSA will be hosting a Colour Run after school. Information has already gone home with further details including sponsorship. Children taking part can bring their clothes into school and will be given time to change at the end of the day.

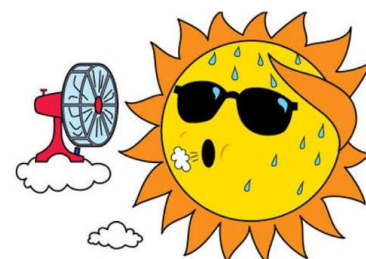

Gardening Club Plant Sale

Gardening Club will finish on Thursday 2nd of July, but we will be holding a plant sale on Friday 3rd July after school. There will be no specific charge for each plant, but a contribution to further investment is welcome. Thank you.

Hot Weather Warning

We are aware that an amber alert has been issued for Monday and Tuesday next week, and that the forecast is the rest of the week in due to be incredibly hot. We are following the guidelines set out by the Department of Education and children can come to school in their PE kit for the whole of next week. Please ensure that your child/ren bring a **water bottle**, **sun hat** and **sun cream** into school every day. The school day will be adapted for hot weather when sedentary activities are more appropriate.
