In The Net – Internet Safety Play

We know that the best protection we can give to young people is knowledge of the dangers so that they are aware and can protect themselves, as well as letting them know where they can go for help and support with regards to Cyber Bullying. In order to do this, our year 4 children will be attending an interactive play on Friday 13th March, which will tackle some of the issues around Safe Internet Use, Cyber Bullying and prevention of exploitation.
