Christmas Performances

A letter has been sent home today regarding all performances. In the first instance we will offer places to two family members to watch each performance. Once we have received reply slips, we will offer more places if we still have capacity in the hall. Please see the letter for further details and the reply slip. For the evening performances, children will need to be returned to school at **5:15pm**. If you are not planning to attend the evening performance for your child on Tuesday or Wednesday, they will need to be collected at the end of the performance as children will not be permitted to walk home.
